Travelex Insurance Services honored with Gold Magellan Award for travel insurance webinar series

RUTHERFORD, NJ, Nov. 4, 2024 — Travelex Insurance Services Inc. is proud to announce that it has been honored with a prestigious Gold Magellan Award by *Travel Weekly* in the Travel Insurance – Marketing – Webinar category. This award recognizes the success of Travelex's "Itinerary for Success: Travel Insurance Essentials" webinar series, an educational initiative designed to simplify the complexities of travel insurance for travel professionals.

Recognizing the need for more accessible, in-depth support for their partners, Travelex launched the "Itinerary for Success" series to equip travel professionals with essential knowledge and tools. Through engaging content, the series covered critical travel insurance topics and answered frequently asked questions related to coverage, benefits, and enrollment.

"We are honored to receive this Gold Magellan Award from *Travel Weekly*," said Will Nihan, Chief Executive Officer at Travelex Insurance Services. "This recognition reflects our dedication to supporting the travel advisor community with resources that empower them to offer clients exceptional service and peace of mind for their travelers."

The Magellan Awards honor outstanding design, marketing and services in a broad range of industry segments including hospitality, travel destinations, cruise lines, online travel services, airlines and airports, travel agents and agencies, tour operators and ground transportation.

"The entries that are recognized in the 17th annual Travel Weekly Magellan Awards demonstrate that the industry is more than up to the task of attracting consumer attention amidst a din of competing messages," said Arnie Weissmann, editor-in-chief of Travel Weekly. "Once again, your peers have produced inspiring promotional campaigns and travel product designs. I've been involved in every Magellan program from its inception, and this year's group has impressed me like none that came before."

The Magellan Awards are judged and overseen by a one-of-a-kind panel of top travel professionals representing the best names and most accomplished leaders from the industry. In determining winners, entries do not compete with one another, instead they are

judged against a standard of excellence based on the long experience of Travel Weekly. To uphold this high standard of excellence, a category may have multiple winners or may have no winners at all.
